MAYA

Accommodation Officer

For me, living in student accommodation is a great way to move out for the first time and have your first real taste of independence. All your bills are included, which takes away the hassle, plus you get to meet so many people from different courses and backgrounds. I love the hustle and bustle of being in the city centre; there is always something to do on your doorstep!

My advice for new students:

- 1 Be friendly with your flat mates and share certain foods, bread, salt, etc. so you don't let food go to waste.
- 2 Clean as you go - it keeps mess to a minimum and makes your job easier.
- 3 Don't suffer in silence - if you are struggling with anything talk to someone. The staff on reception or our friendly Student Living Assistants are there to help.

You can request a room in one of our approved halls via the **LJMU Applicant Hub**.

ACCOMMODATION

What you need to know when booking your student accommodation

CONTRACTS

Accommodation contracts are known as 'tenancy agreements' or 'tenancies' and are legally binding for the full period once signed. So unless there are exceptional grounds for the tenancy to be cancelled, you are liable for rent until the end of the contract or until a replacement is found.

Tenancies commence on Saturday 14 September 2024 and finish 42 weeks later on Friday 4 July 2025. Induction week for new students starts on 16 September and teaching begins on Monday 23 September 2024.

It is important to note that all tenancies cover the full academic year. If your course does not match the standard academic year – for example Nursing or Midwifery – you will be given a full calendar year tenancy as standard.

Don't forget that you don't have to move out over the Christmas and Easter breaks, the room is yours for the duration of your contract. You can also stay on after your first year in all cases.

MONEY MATTERS

Rent is paid in three equal instalments that coincide with your student funding payments if you are a UK student, who can provide a guarantor*, so it is important that you apply for your student funding as soon as possible – don't put this off!

It is a good idea to try and work out your budget at an early stage and choose your accommodation according to what you can afford.

*Your guarantor will most likely be a parent or guardian, and they must agree to act in this capacity

If you have any concerns about money and student accommodation, please contact our Accommodation Office: accommodation@ljmu.ac.uk

MATURE STUDENTS

The majority of students entering accommodation come to university straight from school or college and are under 21. If you prefer a quieter study environment, rooms are reserved for older students at a number of our city centre locations.

If you do have any particular requests, such as living in a flat with older students, please indicate this on your accommodation request form. Every effort will be made to meet your needs but this cannot be guaranteed in all cases. If you would prefer to live in a private house or flat, contact Liverpool Student Homes (LSH) liverpoolstudenthomes.org/accommodation.

HEALTHCARE STUDENTS

Nursing, Midwifery and Paramedic Science students have different schedules due to placement work, often getting up when other students are going to bed! For this reason we strongly recommend healthcare students choose Atlantic Point, Glassworks, Marybone 1 or Marybone 3 and share their flat with students on similar courses.

Limited parking is available for Paramedic students at Atlantic Point.

DISABLED STUDENTS

Accommodation facilities for students with disabilities are constantly improving and LJMU is committed to ensure a high standard of living for all students, whatever your needs. If you require accommodation with particular adaptations it is important that you inform us as soon as possible so that the necessary arrangements can be made. We can also arrange for you to visit our accommodation to check that it will meet your needs. To discuss further contact our Disability Advice Team. disability@ljmu.ac.uk 0151 231 3164/3165.

BOOKING YOUR ACCOMMODATION

1 MAKE YOUR CHOICE

Read the information here and online at ljmu.ac.uk/accommodation and decide where you would like to live.

2 SUBMIT YOUR REQUEST

If LJMU is your Firm (first) choice, you can submit your accommodation request via the LJMU Applicant Hub. You can submit your request regardless of whether you hold a conditional or unconditional offer. You will instantly receive an email to confirm that your request has been received and to explain the next steps in the process. The first date that accommodation requests for 2024/25 will be accepted will be published on our website and communicated to all applicants in autumn 2023.

3 FINALISE YOUR BOOKING

Within a few days of submitting your request you will be contacted by your chosen accommodation provider by email. You must follow their instructions in order to finalise the booking of your room.

If you hold a conditional offer from LJMU and are unsuccessful, any payment made for accommodation will be refunded and your tenancy agreement cancelled. You can contact our Accommodation Office at any time for advice and guidance.

Don't forget, booking your room via the LJMU Accommodation Office is the only way to be sure of living with other new LJMU students.

LOCATION LOCATION LOCATION

At LJMU all teaching takes place in Liverpool city centre at either our Mount Pleasant Campus or City Campus.

All of the accommodation in this guide is located in the city centre, so you will have several options within walking distance of the University.

Liverpool is a very compact city and most LJMU students can walk to lectures. So please think very carefully before bringing a car to Liverpool because as in most cities parking is expensive and limited. If having your car is important to you, you should request accommodation early to maximise your chances of securing a space.

For further information on where specific courses are taught, please see the LJMU website.

ACCOMMODATION FOR MOUNT PLEASANT STUDENTS

The Mount Pleasant Campus is home to two Faculties:
Business and Law | Arts, Professional and Social Studies

The following accommodation options are ideal for students undertaking courses in these Faculties.

St Luke's View is an excellent, modern option for students located in the campus, that opened at the start of the 2017/18 academic year.

Capital Gate and Albert Court are two good value en-suite options which are suitable for students at either campus. Capital Gate underwent a full redesign and refurbishment and it reopened in summer 2021. Many rooms at Albert Court were upgraded in summer 2022 and now feature small double beds.

Grand Central is the liveliest of all the accommodation options. The vast majority of bedrooms feature private en-suite bathrooms but a few bedrooms are available in flats with shared bathrooms at a lower cost.

Copperas House is the very newest option available as it opened in summer 2021. It is well located close to the new Student Life Building and is suitable for students at either campus.

Horizon Heights and Hardman House are two of the newest options in this campus and both opened for the first time in August 2019. All rooms feature en-suite bathrooms.

Grenville Street and The Arch are two modern options, located with easy access to the trendy Ropewalks area and the shops and amenities of Liverpool One.

Bedrooms in both halls are larger than in many others within this campus and hence represent excellent value.

Agnes Jones House and St Andrew's Gardens are excellent choices for students seeking good value accommodation as they feature flats with shared bathrooms.

The location of our accommodation can be seen on pages 12 and 13.

ACCOMMODATION FOR CITY CAMPUS STUDENTS

The City Campus is home to three Faculties:
Health | Science | Engineering and Technology

The following accommodation options are ideal for students undertaking courses in these Faculties. All sites are located within the City Campus and only a short walk from the city centre.

Marybone is a large three phase complex and is ideally located adjacent to the Avril Robarts Library and the Tithebarn Street building. Marybone 1 features flats with shared bathrooms and double beds at very reasonable weekly rents. Marybone 2 and 3 are almost identical and fully en-suite.

Glassworks and **Byrom Point** are two newer accommodation sites located within the campus and are both fully en-suite. Both sites have a gym, common room and study area.

Atlantic Point is located opposite the Byrom Street teaching buildings and is one of the largest sites offered to new students. It also has a limited number of parking spaces.

Moorfield is located directly across the road from the Avril Robarts Library and offers good value en-suite rooms and a limited number of parking spaces.

Students based in the City Campus can also choose accommodation in the centre of the city such as Grand Central, Horizon Heights, Capital Gate, Copperas House or Albert Court.

The location of our city centre accommodation can be seen on pages 12 and 13.
